

Bun Fun: Hair Rules & Tips

*****This outline should be followed for Picture Day and our annual Recital*****

All dancers are required to wear their hair slicked back in a ***high bun for all dance numbers***. Please use ***HAIRSPRAY*** or ***GEL*** to make sure there are no loose hairs or “flyaways”.

Non-natural hair colors are not allowed. Hair must have natural tones for all hairstyles.

Each costume has a specific hair piece that is required for each performance.

Earrings are required for each performance. Dancers that forget their earrings will be charged \$15 for a new set of earrings.

Please watch the tutorial below. All dancers must copy the end result in this video. The tutorial should be used as a guide.

Please add or take away steps that will give the best result for your dancer’s hair style and texture.
